**Miroslav Horník**

**Trnava 2009**

University of SS. Cyril and Methodius in Trnava  
Faculty of Natural Sciences  
Department of Biotechnology

Aims and scope

*Nova Biotechnologica* provides a forum for the publication of original and significant work in biotechnology and other disciplines related to biotechnology. Especially papers dealing with Agro and Food Biotechnology, Environmental Biotechnology, Molecular Biology and Genetics, Bioinformatics, Chemometrics and other topics related to biotechnology will be appreciated.
